

Certified Government Chief Information Officer™

The **Certified Government Chief Information Officer™ (CGCIO™)** program focuses on emerging technologies, information security, ethics, contract management, interpersonal communication, project and resource management, and sustainability, among other related topics.

The **Carl Vinson Institute of Government (CVIOG)** has partnered with **Georgia Government Management Information Sciences (GA GMIS)** to offer program certification for qualified professionals through online and in-person classes, independent assignments, and a capstone project. Due to this collaboration, the in-person classes will be arranged during the following semi-annual (in-person) GA GMIS conferences:

- Fall 2024:** October 13–17, 2024 • Savannah, GA
- Spring 2025:** May 4–8 2025 • Columbus, GA
- Fall 2025:** October 12–16, 2025 • TBD (dates tentative)

Program Duration

August 2024 to October 2025

Program Tuition

\$3,900 per participant

(includes all three GA GMIS conference registrations)

Application Deadline

July 15, 2024

Program Virtual Session Dates
