From Exploration and Exposure to Experience

Time with the 3E's

(Exploration, Exposure & Experience)

10:45am-11:10am

- Exploration & Exposure

11:10am-11:35am

- Experience

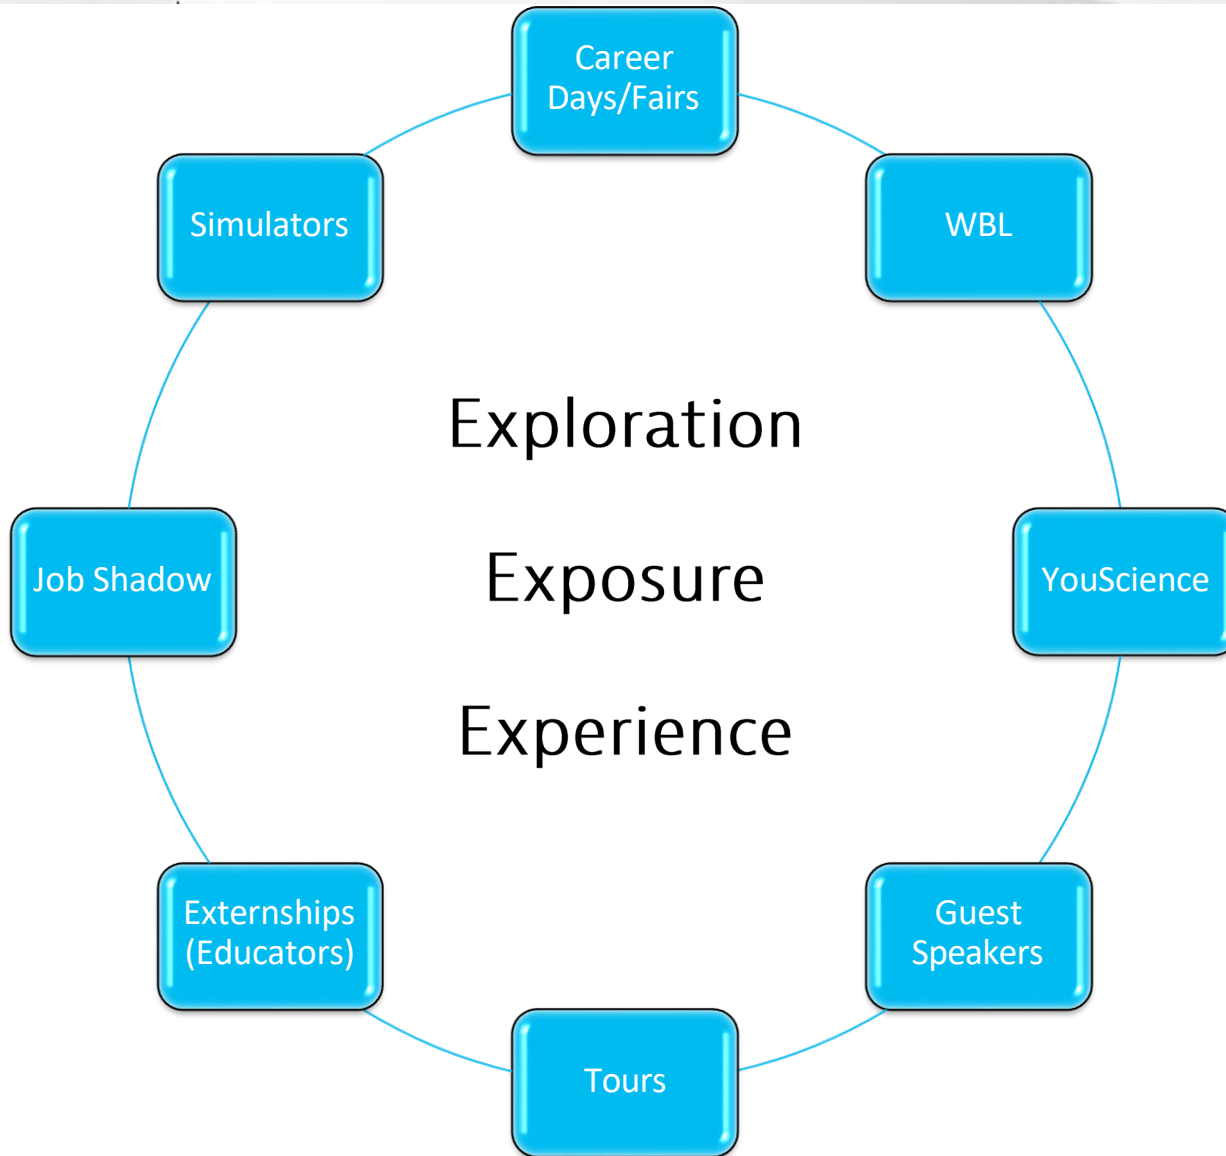

11:35am-11:45am

- Q & A

Workforce Development

- People first-approach
- Being intentional about efforts to equip, reskill, and upskill
- Providing training and opportunities to address problems
- Engaging talent in learning opportunities to gain and improve skills for now and later
- Building strategic partnerships to keep potential talent prepared, equipped to handle technological changes or skills demands.

Name It

Define It

- **Exploration**

- Activities that explore, examine and investigate new and unexpected career information.

- **Exposure**

- Activities that lead to career ideas, information and concepts that are relatively unknown.

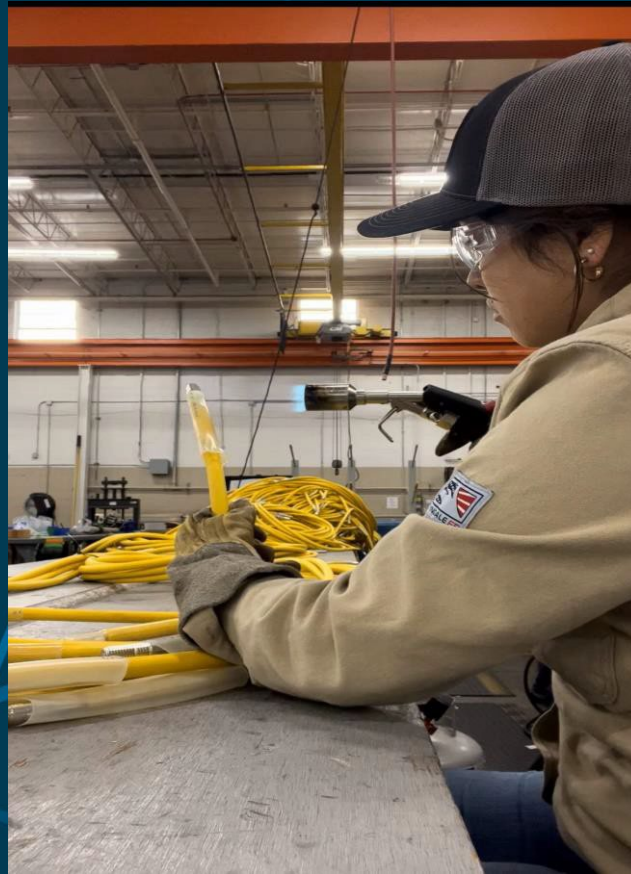

- **Experience**

- Activities that offer experiential learning opportunities through observation and participation in the workplace.

The Experience

Joycelyn White
School Counselor, Twiggs Co.

Nataly Franco
Tool Repair Technician, GP

Torin Scruggs
Lineworker, GP

Thank you
